## Important Notification

The document serves to inform the insurance customers and does not replace a comprehensive investment advice or risk information, nor does it make an offer or recommendation to buy, or sale of funds or other products. Any investment is associated with risks. The past performance is not indicative of reliable conclusions on future development of a fund. The return can be reduced as a result of currency fluctuations. Expenses and taxes of the insurance product are not included in the performance calculation and reduce performance. The fact sheet is only available for purchase of an insurance product. The fund used for the insurance product is accredited for direct purchase in Austria only.

The tax treatment of an insurance product is different and depends on the personal conditions and the place of residence of the customer and may be subject to change in the future. Please contact your insurance advisor for more information.
